

SAVING LIVES

GAMMA KIT

TST SAFETY

The TST Gamma Kit is a specialized high-pressure water jetting protective suit comprising a jacket (with integrated hand protection) and trousers.
This PPE garment is designed and certified to protect the wearer against injury caused by accidental exposure to moving high-pressure jets.

GAMMA KIT

- Full front water jet protection as well as round the neck, shoulders, and the entire area round the forearm.
- Ventilation is an option.
- A great choice for jobs that require movement.
- Add Head Protection, Protective Gloves and Boots or Gaiters and you are protected from head to toe.

STRIPED AREAS ARE PROTECTED

SINGLE 1 000 BAR / 15 000 PSI

ROTOR 2 800 BAR / 40 000 PSI
